✖ You Are Here™

Introducing You Are Here^{CE}, providing the core elements event managers need to build floor plans, sell booth space, offer sponsorships and create real value for attendees and exhibitors - now at a cost that makes using CE an easy decision for events of any size.

All in one, easy to use online system.

ExhibitQuest

www.shepardes.com

Finally, a system for everyone!

Dramatically Enhance the Attendee and Exhibitor Experience

with a cutting edge system that works great and looks terrific. Your users will love it, keeping them coming back to your event year after year.

Generate New Advertising and Sponsorship Revenues

by offering exhibitors targeted and measurable opportunities that truly work to drive business their way. Upgrade to You Are Here Select Edition for even more event marketing and revenue opportunities.

Connect Exhibitors And Attendees

at the event and 365 days a year on your web site, building community and increasing your value to both.

Manage Your Event Floor

with powerful new tools that require no training or special skills. Now anyone on your team can collaborate on-line with your contractor and exhibitors, modify your floor plan and easily sell booth space. You can even build your own floor from scratch using the hundreds of facility maps already built for you.

Make Your Processes Much More Efficient

use your floor map to sell booths, store exhibitor data, publish the event map and directory on your website, sell sponsorships. Improve workflow with links to your existing data systems and great reporting.

Cut Costs and Go Green

by reducing or eliminating your need for printed show maps and directories.
