**Logistics**

### **Getting There –**

Shepard Logistics picks up your shipment from its origin and gets it to the show. All Shepard Logistics freight is unloaded first and treated with priority.

### **At the Show –**

Once your shipment is unpacked, all Shepard Logistics freight is given “Priority Empty” service. Your empties will be labeled as a priority and returned first.

### **On-Site Experienced Personnel –**

An on-site transportation expert handles each Shepard Logistics customer. These individuals will be based at the Shepard service desk and are there to assist every step of the way.

### **Shipment Tracking –**

For your convenience, Shepard Logistics Services offers a toll-free number (888.568.8858) staffed by Logistics professionals. This fast, friendly and reliable service can help you trace shipments, arrange for pick-up and offer price quotes.

### **Competitive Pricing –**

Shepard Logistics shipping costs are quoted in advance. Due to our shipping volume, we are able to offer very competitive pricing regardless of the size of your shipment.

### **Convenient Invoicing –**

Your Logistics invoice will be billed directly to your credit card once actual weights have been recorded and documented. We want to make sure you are only paying for what was shipped.
